

Chateaubriand Fellowship Program

Call for Applications 2023-2024

The [Chateaubriand Fellowship program](#) 2023-2024 is now accepting applications, **from October 13, 2022, to January 13, 2023.**

The Chateaubriand Fellowship is a grant offered by the **Embassy of France in the United States**. It supports outstanding **PhD students** registered in a U.S. institution who wish to **conduct part of their doctoral research in France** for a period ranging from **4 to 8/9 months**. Chateaubriand fellows are selected through a merit-based competition, with expert evaluation in France and in the United States.

The Fellowship is divided into two subprograms:

STEM: Science, Technology, Engineering, Mathematics & Health

The Chateaubriand Fellowship in Science, Technology, Engineering, Mathematics & Biology-Health for doctoral students aims to initiate or reinforce partnerships or joint projects between French and U.S. research teams.

This fellowship is offered by the [Office for Science & Technology \(OST\)](#) of the French Embassy, in partnership with universities and research organizations in France and the United States. It is a partner of the National Science Foundation's [GROW](#) program.

HSS: Humanities and Social Sciences

The Chateaubriand Fellowship in Humanities and Social Sciences is offered by the [Cultural Services of the French Embassy](#). The HSS program targets outstanding PhD students enrolled in U.S. institutions who seek to engage in research in France in any discipline of the Humanities and Social Sciences.

The HSS Chateaubriand program is supported by [Campus France](#) which provides assistance to fellows on site. Social networking opportunities are also offered by [Fulbright France](#).
