

General conditions of admission and registration

Admission conditions

If your application form is complete, it will be presented to an educational commission after May 15th, 2025 deadline. **Incomplete applications will be automatically rejected.**

You will receive an answer maximum 15 days after this commission.

- **If you are admitted**, you will receive an admission certificate and a notification for the placement test. Do not forget to confirm that you will take the test.

With the admission certificate and if you are not a European citizen, you can apply for a visa called « Etudiant » (delivered by the French Embassy). This visa will allow you to obtain a residence permit once in France without going back to your home country after the test.

- **If you are not admitted**, you will receive an email explaining why your application has been refused.
