

Access your ENT (Digital Workspace)

The digital workspace allows access to : the course calendar, emails (firstname.name@etu.univ-orleans.fr), your online course platform CELENE, resources from academic libraries, print management, and more.

The ENT can be found at : <https://ent.univ-orleans.fr/uPortal/f/welcome/normal/render.uP>

Your account needs to be activated before the first connexion. Click on the left « Activer mon compte – étudiant »

Access the P.A.O.N

P.A.O.N - Program for Assistance and Onboarding in university Networks is the hybrid program for all newcomers to the University.

Access is possible through the ENT or on CELENE. All self-directed learning spaces and information portals are available on the first block of the CELENE webpage or at this address : <https://celene.univ-orleans.fr/course/index.php?categoryid=403>

Each campus and university department has its page, find yours in the list :

- [Campus Orléans](#)
- [Campus Bourges](#)
- [Campus Châteauroux / Issoudun](#)
- [Campus Chartres](#)
- [INSPE Centre-Val-de-Loire](#)

If you don't speak French at all, one page is also available in English at the main category : <https://celene.univ-orleans.fr/course/view.php?id=12840>

CELENE : your online course platform

CELENE is a Moodle-based online course platform where classes made by teachers can be found. Access is possible at all times at the address : <https://celene.univ-orleans.fr/> or via the ENT.

CELENE can be accessed on mobile or desktop and is fully customizable for accessibility.

Connect to WIFI

Free Wifi thanks to the Eduroam system is available on all sites of the University.

All Wifi information can be found on the website <https://www.univ-orleans.fr/fr/univ/formation/reussir-avec-le-numerique/wifi>

Microsoft 365

The University provides a secured and free access to the Microsoft suite. This account will also need to be activated. More info on the P.A.O.N page.

Get a computer

If you don't have a computer or yours is too old, you can ask for a loan through the PRESTO Program, all infos : <https://www.univ-orleans.fr/fr/univ/vie-des-campus/reussir-sa-rentree/presto-pre-dordinateurs>

IZLY

Izly is an app managed by the CROUS. It allows you to pay for your meals in university cafeterias, to photocopy and scan. This account needs to be activated through the email you've received from Izly.

More info at the website : www.izly.fr

Using the mobile app.
