

# Enhancing Student Experience Through Support Services

INTERNATIONAL STAFF WEEK

24th to 27th March 2026

# Overview

Join us for an engaging Staff Week focused on improving student life through exceptional support services. Participants will gain firsthand insights through job shadowing in key areas such as the University Health Services, Sports Services, Cultural Center, Disability Support Services, Career Office and Library Services. Interactive sessions will highlight our university's best practices and challenges, fostering a dynamic exchange of ideas. The programme also features cultural activities, offering a rich blend of professional growth and local experiences. Don't miss this opportunity to connect, learn, and collaborate on enhancing the student experience.

## Goals

- **Share Best Practices:** Highlight the innovative approaches and successful strategies used by our university to support student well-being and engagement.
- **Foster Collaboration:** Encourage the exchange of ideas, experiences, and solutions among participants from diverse institutions to address common challenges in student support services.
- **Enhance Professional Skills:** Provide opportunities for participants to learn through job shadowing and interactive sessions, gaining practical insights to implement in their home institutions.
